# BOSS60

The Boss60 is Australia's economical screen solution. An in stock, modular 60mm thick screen system designed to accommodate power and data through accessible cavities in the ducted models.

Each Boss60 ducted screen offers the option to run your power out of sight below the desk at floor level, or accessible above the desk.

Stocked, standard in a crisp white powder-coat frame with contrasting charcoal fabric, this system is boxed and ready to install.

Boss60 Freestanding Screens
900W x 1800H
Available with castors or height adjustable glides

# WORKSTATION FORMAT

Workstations are L shape work surfaces with a corner radius. This option is for workers requiring a larger surface area, where the user faces the corner for optimum use of the available space.

# STRAIGHT DESK FORMAT

Straight desk layouts are popular where floor space is limited. More staff can fit per square metre with straight desks than alternatives. Straight desks have become more popular with a rise in digital, cloud based work and less paperwork.

# ACCESSORIES

The Boss range of accessories are designed to keep desks as clean and clear as possible, with each item able to suspend from the partition "slotted" extrusion.

Boss Document Divider
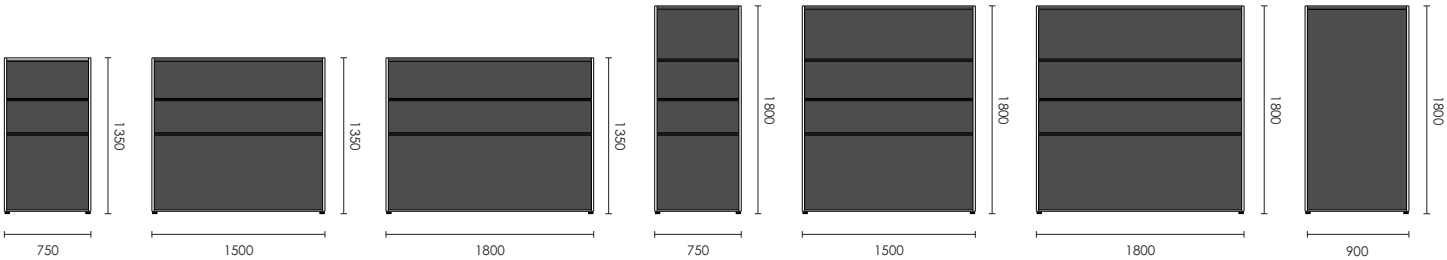

Boss Partition Paper Tray

Boss Flat Document Tray

Boss Pencil/Pen Holder

Boss Telephone Tray

# NON-POWERED FULLY UPHOLSTERED PANELS

Non-powered partitions are predominantly utilized adjacent to powered/ducted partitions, or where power is already supplied. Each partition is pinnable above desk height with horizontal extrusion running through the panel for suspended accessories. 1800H x 900W partitions are utilized as a freestanding screen with optional mobile or adjustable feet.
