Ultra UV Fabric Colours:

The Ultra UV range is an extremely hardy collection of fabrics, a bold, broad selection of block colours. Ultra is tried and tested for use in outdoor environments and weather. Whilst this fabric is intended for use outdoors it is expected that product used in covered spaces to ensure the longevity of the materials.

Tingle UV Fabric Colours:

The Tingle UV range is an extremely hardy collection of fabrics, a softer selection of speckled, muted colours. Tingle is tried and tested for use in outdoor environments and weather. Whilst this fabric is intended for use outdoors it is expected that product used in covered spaces to ensure the longevity of the materials.
