Kinetic Pod Flipping Top

Top Quality Laminates & ABS Edging

With high-strength 1.6mm gauge steel and a high tensile push-pin system, our legs allow different table height options, without sacrificing product stability.

Our mobile castors make reconfiguration a breeze. Once you've found the best spot, simply lock the castors and you're set!

Need to free up an open floor space? Simply unlock the mechanism latch, flip your table tops to an upright position, and stack them away, the ultimate space-saving option!

Our table tops come standard with quality laminate finishes and high-impact ABS edging, to ensure that your top withstands your day-to-day activities, with little sign of wear.

# SEATING

## MATA - Classroom Chairs

The world's most desirable classroom chair is now available at Mile End. Ergonomically designed with flex for active movement, the Mata chair series is quickly becoming South Australia's answer to modern classroom seating.
